

“LET’S SIMPLIFY  
YOUR LAB  
WORKFLOW  
ON-SITE. ON TIME.  
FULLY MANAGED.”

## ABOUT COMPANY

We are a full-service and mobile-first lab partner built to support real-world care environments. From nursing homes and assisted living communities to clinics and specialty providers, we bring lab services directly to you.

**We reduce delays, improve workflow, and deliver lab services where care actually happens.**
